WESTSIDE BUSINESS CENTER BUILDING A

BUILDING FEATURES

Unique industrial opportunity in Vancouver, Washington located just north of the Columbia River near I-5 Freeway and Port of Vancouver Marine Terminals

Freestanding building offering heavy power, abundant dock and grade loading doors, and generous truck staging area

Vancouver, Washington jurisdiction offers lower taxes, lower electrical rates, strong labor force and many other benefits

Skylights throughout warehouse area provide natural light

52' x 42'6" column spacing with a 45' speed aisle

Great parking and truck staging

Building was constructed in 1996

VANCOUVER, WASHINGTON BENEFITS

Washington features NO personal income tax vs. Oregon's 11% income tax

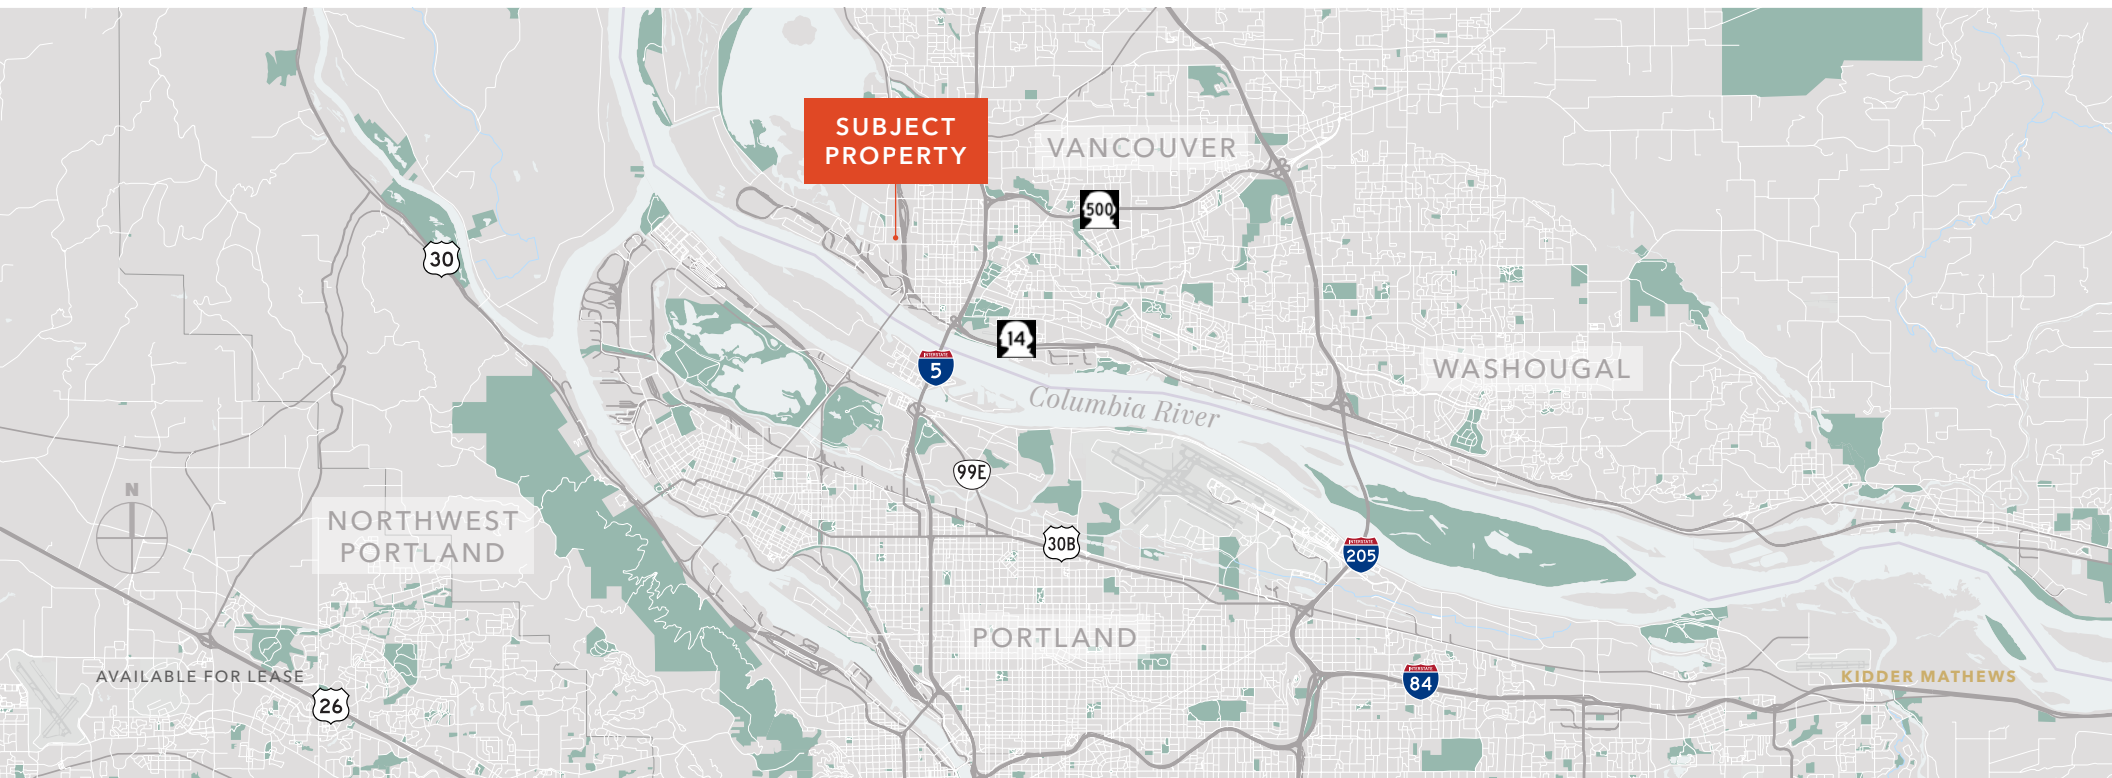

Approximately 80,000 workers commute regularly from Vancouver across the bridge to Oregon for work and a recent poll showed that 80% of these commuters would readily take a job in Clark County to reduce commute time and to avoid the commute across the river and Oregon income taxes

Sales tax and B&O taxes may be exempted for machinery and equipment purchases for certain new food processing or manufacturing businesses

City of Vancouver is business friendly and offers streamlined permitting processes to help businesses with a seamless transition into new facilities

Clark County Public Utility offers lower electrical rates than Portland

Tax incentives available for qualifying businesses
